Dear attendees,

Welcome to the 2026 Oireachtas in the beautiful city of Milwaukee. While I am now a Chicago resident, I spent over a decade dancing and living in Milwaukee. It's where I went to college, met my husband, and had my child. I danced and taught in Milwaukee, and it will always be a second home. I'm so grateful that we are bringing this monumental event back to Milwaukee for a second year.

This event would not be possible without the 8 Irish dance schools that came together to do so much work leading up to this event. Milwaukee has always been a city where dance schools come together for fundraisers, feisanna, and performances, and their continued partnership was instrumental in putting together this event.

Thank you to the following people:

- Chelsea Holloway, TCRG and the Bellator Academy for organizing our vendors and sponsors and program book.
- Bridget Jaskulski, TCRG & Nick Nowak of the Glencastle School for coordinating the efforts to store, build, and take down our stages.
- Kate Habel, TCRG; Laura Gottschlich, TCRG; and Caitlin O'Connor, TCRG of the Cashel Academy for organizing our massive crew of volunteers to run the used costume shop, the help desk, and our philanthropic events.
- Michaela Donohue, TCRG & Deirdre Kiley, TCRG of Trinity Academy for making sure our adjudicators and musicians receive top-notch hospitality.
- Laura Donaldson, TCRG; Anne Blume, TCRG; and Michelle McNamara, TCRG of The McNamara McCarthy School for organizing our awards ceremonies.
- Elyse Transon, TCRG of Milwaukee Irish Dance for managing our social media accounts.
- Brigid Kinsella-Alba, TCRG of the Kinsella Academy for organizing our social parties, pre-awards shows, and photo stations.
- Sean Beglan, TCRG & Aileen Cronin, ADCRG of Beglan Academy for coordinating and training the teachers who run the stages and make sure they run smoothly.

Thank you to the IDTAMA executive board: Cormac O'Se, TCRG; Joseph Manning, ADCRG; Katie Stegeman, ADCRG; Liz Jones, TCRG; and Mary Laffey-Beemsterboer, TCRG. Your expertise and guidance has been so helpful these last few months.

And thank you most of all to Allison Duvall, TCRG, our fearless leader of the Mid-America region. You are the most organized, professional, and hard-working woman in Irish dance right now. Thank you for everything you have done to support me and to help ensure that this Oireachtas goes as smoothly as possible.

Good luck to all who have gathered this weekend! After this event concludes, we will be handing off the torch to Madeline Duckworth, ADCRG, Brigid Driscoll, TCRG, and Erinn Lewis, TCRG so that they can plan two fabulous years in Kansas City!

Best,
Alyssa Harling, TCRG
Oireachtas Mid-America Chairperson 2026

IDTAMA
Irish Dance Teachers Association of Mid-America

Dear dancers, parents, teachers, and friends,

On behalf of the Executive Board of the Irish Dance Teachers' Association of Mid-America, it is my pleasure to welcome you to the 2026 Mid-America Oireachtas! We are delighted to gather once again as a region to celebrate the talent, dedication, and spirit of our Mid-America dance community.

An event of this size requires an extraordinary amount of planning, coordination, and teamwork. We extend our heartfelt thanks to our 2026 event chairperson, Alyssa Harling, for her leadership, dedication, and countless hours of work to bring this championship together. A special thank you also goes to all of the Milwaukee teachers and schools, along with their dance families, for the tremendous support they have provided. Hosting an event of this magnitude is a true team effort, and we are so grateful for the time, energy, and generosity they have given to make this weekend possible.

Behind every successful Oireachtas is a tremendous team of volunteers who give their time, talents, and enthusiasm to make everything run smoothly. We are deeply appreciative of everyone who has played a part in preparing for this weekend, whether in a visible role or behind the scenes. As we gather over Thanksgiving weekend, we are especially reminded of how fortunate we are to be part of such a supportive regional family.

My sincere thanks also go to our adjudicators, musicians, vendors, teachers, dancers, and families who have traveled from across the world and the region to be part of this championship. Your presence and participation make the Oireachtas such a special occasion. I would also like to recognize the dedicated members of the IDTAMA Executive Board for their continued leadership and hard work in supporting our teachers, schools, and dancers throughout the year.

To every dancer who takes the stage this weekend, I wish you the very best of luck! Amid the excitement, anticipation, and busy schedule, I encourage you to take a moment to appreciate what brought you here in the first place: the joy of Irish dance, the friendships it fosters, and the tradition that connects us. This Thanksgiving weekend, take a moment to pause, reflect, give thanks, and have fun.

Wishing you all a wonderful and memorable Oireachtas weekend!

In gratitude,

Allison Duvall, TCRG

Congratulations on celebrating 50 years of teaching Irish Dance!

Geraldine Foy, TCRG

My interest in Irish dance began with my mother. She loved dancing and always told us how her home in Ireland hosted many “house dances” with music and dancing for friends and neighbors.

With her encouragement, I began Irish dance classes at the age of four and a half (because at four it is important to include that half) with Maureen Doyle. I also attended classes with local teachers in Ireland when visiting my grandparents.

Dancing became a family activity, and vacations were often planned with the idea of “hitting a feis,” maybe even two, if we could get one in on the way and one in on the way back.

We began studying for the TCRG exam in the summer of 1976 and took the test in November. Denis and Marge Dennehy along with Mary Fahey and Jim Shea were our mentors. Dennehy Dancers were drafted for the teaching segment, and I wouldn’t be surprised if some of those dancers are now colleagues as TCRG’s and ADCRG’s.

Countless children (and some adults) have passed through my classes over the years. It is so rewarding to see them grow from toddlers with “two left feet” to standing on the podium. Each one of them has contributed to wonderful memories.

When Irish dancing gets in your blood, Irish or not; it stays with you forever. I cannot image what life would have been like without it. My closest and longest friends outside of family are my first dance teacher and my dance partners!

Thank you to the IDTAMA Board and the 2026 Mid America Oireachtas Committee for this recognition (although it is hard to wrap my head around 50 yrs!) and for all the hard work they have done to make this year’s event a success!

Congratulations on celebrating 50 years of teaching Irish dance!

Catherine Mary Heinzman (née Moran)

"Kitty Heinzman" TMRF

I was born November 3rd, 1940 on Castlebar Street in Westport, County Mayo, Ireland. My parents were Rose Clarke Moran and Thomas Moran, and I was the fifth of nine children. I grew up in the courthouse and went to school at the Convent of Mercy Primary School and to Sacred Heart Secondary School.

I've loved Irish Dancing and culture for as long as I can remember. My first dance teacher was a travelling teacher named Miss Fahy from County Sligo who came to Westport once a week to teach Irish Dance. My next teacher was Dottie Redmond from Castlebar County Mayo where I continued my step dancing education. When I was 14, I started Ceili Dancing with Mr. Kenny from Westport where he taught me all of the traditional Ceili dances.

I immigrated to America in 1958 and worked at Michigan Business Service in accounting. In August of 1960 I married John Heinzman Sr. and together we had 3 children.

My love for Irish dance and culture continued in me and in the 1970's I decided to start teaching Ceili Dancing at The Gaelic League Irish American Club in Detroit and eventually expanding class to the Ancient Order of Hibernians Club in Redford too. I decided to take my TMRF test and in 1976 I became a registered Irish dance teacher. That same year I also became a United States citizen.

Since then I have continued to promote Irish dance and culture, sponsoring many events, supporting many bands and groups, performing at festivals all over Michigan, being a part of the GAA where my husband and sons played Gaelic Football, and organizing and helping at Feiseana. I have been honored to be inducted into the Irish American Hall of Fame in 2014 and to be elected as the Grand Marshall of the Detroit St Patrick's Parade in 2016.

I thank God every day that I was able to come to America and I am proud of all of the Irish culture I see here in America now and I am thrilled that I am a part of it with The Ardan Academy of Irish Dance. It's been a great 50 plus years of teaching, and I look forward to loads more!!

Congratulations on celebrating 40 years of teaching Irish Dance!

Kathleen Dennehy, ADCRG

Kathy Dennehy began her Irish dance journey under the guidance of her parents, Dennis and Marge Dennehy. Following a successful competitive career, Kathy turned her passion to teaching and adjudicating, earning her TCRG in 1985 and ADCRG in 1995.

Over the past 40 years, Kathy has inspired generations of dancers. Under her direction, Dennehy dancers have earned regional, national, and world titles in both solo and team competition.

As a respected adjudicator, Kathy has judged the World Irish Dancing Championships, All-Ireland Championships, and regional championships throughout North America.

Driven by her competitive spirit, love of Irish dance, and commitment to excellence, Kathy has a remarkable ability to recognize and develop those same qualities in her students.

Known as much for her quick wit and great sense of humor as for her high standards, Kathy has brought energy, laughter, tradition, and excellence to four decades of teaching Irish dance.

Congratulations on celebrating 25 years of teaching Irish dance!

Kathleen May Yoder, TCRG

What started as a family joke became a lifelong passion, and for that, Katie wouldn't change a step.

Katie's Irish dance career began at age five when her mother and aunt entered her, her cousins, and her brother in local classes with the Mullane Irish Dance Academy as part of a good-natured family effort to "up the Brannigans" at Amateur Hour. What started as a joke quickly became a lifelong passion. She is so grateful for her years at Mullane and for the many there who shaped her life and love of Irish dance. Long after the others retired, she kept going, despite her mother's best efforts, including attempted financial offers to encourage an early retirement, proving that Irish dancers, like good Irish stories, rarely know when to end!

Instead, Katie competed throughout high school and college, participating in numerous Mid-America Oireachtas, North American Championships, All-Irelands, and World Championships. Among her favorite accomplishments was placing in the Top 5 at the North American Irish Dance Championships.

After earning her TCRG, Katie taught with Mullane Irish Dance Academy before trading dance class schedules for law school textbooks. She went on to build a successful career in trusts and estates and currently works in Fiduciary Services at BMO Bank in Chicago. Fortunately, Irish dance has a way of pulling people back in. When her daughter, Lilly May, discovered her love of Irish dance, Katie happily returned to Irish dance through the Onóarch Mulhern Geraghty School of Irish Dance. At OMG, she rediscovered not only the sport and art form she loved but also an incredible community of teachers, dancers, and parents. She is so grateful to Coleen Mulhern Malloy and Eileen Mulhern O'Kane for their dedication to their dancers, students they judge and Irish Dance as a whole. Her greatest joy has been watching Lilly May and her friends grow into accomplished dancers and remarkable young men and women.

Katie has especially enjoyed supporting team dancing, where the joy, friendships, and occasional controlled chaos perfectly capture the spirit of Irish dance. And in an unexpected twist, Katie discovered that her mother may have loved Irish dance all along, as she now enthusiastically travels across the globe supporting Lilly May and the entire OMG family. Twenty-five years after earning her TCRG, Katie remains grateful for the friendships, opportunities, and memories Irish dance has given her. She looks forward to continuing to share its many joys for years to come, preferably with good company, good craic, and no further offers of money to quit.

Congratulations on celebrating 25 years of teaching Irish Dance!

Karen Farrelly Tritschler

Karen began her journey in Irish dancing at the age of seven, quickly developing a deep and lasting commitment to both solo and team performance. Over the years, her dedication led her to compete at regional, national, and world championship levels.

Those competitive experiences shaped who she became as a dancer and ultimately paved the way for a career dedicated to passing that passion on to the next generation. With both of her parents born and raised in Ireland—her mother from County Cork and her father from County Monaghan—Karen has always felt a strong connection to Irish music, culture, and tradition. From an early age, she knew that teaching Irish dancing was what she was meant to do.

For the past 25 years, Karen has had the privilege of shaping the lives of countless students, sharing the same love of Irish dance that has meant so much to her own journey. Teaching has challenged and inspired her to grow in unexpected ways, reminding her that there is always something new to learn. She firmly believes there are no limits to what can be taught, discovered, and achieved within this wonderful art form.

Karen is deeply grateful to her mother and father for the love of Ireland and its traditions they passed on to her, and to her sister, Sinead, who has stood right by her side and been her constant support through all these years of teaching. She is also incredibly thankful for her husband, Barry—who married into this delightfully crazy life—and her four boys, Cormac, Rory, Darragh, and Killian, who have always supported her and cheered her on from the sidelines.

A huge thank you and so much love to Katie and Amy, and the rest of the Hughes Farrelly family, for being such an important part of this journey. Working alongside you and sharing this path has meant the absolute world to me. These 25 years have brought so many dancers, families, friendships, and wonderful memories into Karen's life, and she feels incredibly fortunate to have spent them doing something she loves so deeply.

Life is better when you have so many to love.

Congratulations on celebrating 25 years of teaching Irish dance!

Coleen Mulhern Malloy, ADCRG, BG

Eileen Mulhern O'Kane, ADCRG

Sisters, Eileen & Coleen Mulhern, have been dancing since the age of three. The youngest two of seven children born to Brian Patrick Mulhern (Donegal, Ireland), and Bridget (Bridie) Miller (Mayo, Ireland), they began shortly after they learned to walk, following in the footsteps of their older siblings.

Their Irish dance careers began with Chicago legend Pat Roche. They went on to achieve great success under the tutelage of Dennis & Margie Dennehy and were the first students—and champions—of the infamous Michael Flatley. Their competitive careers concluded under the direction of June Butler of The Butler Academy in Toronto after Michael Flatley closed his school.

Eileen was the undefeated Mid-America Oireachtas Champion for 11 consecutive years, a two-time North American National Champion, and placed at the World Championships every year she competed. Coleen won the Mid-America Oireachtas consistently, with the exception of one year, and went on to become a North American National Champion and World Medal Holder.

Both sisters were also accomplished fiddle players, studying with Tommy Ryan and world-renowned Liz Carroll. They qualified at the Midwest Fleadh for the All-Ireland Championships numerous times.

What began as the Mulhern School in their parent's basement has grown into an international assembly of classes in the Mid-America & Southern Regions in the US and more recently, across the Atlantic through a merger with friend and talented colleague, Brian Geraghty. Today, they own & direct the Onórach Mulhern Geraghty (OMG) School of Irish Dance, with classes in Westmont & Hinsdale, IL, Minneapolis, MN, Mississippi and Dublin & Roscommon, Ireland.

While their teaching careers have brought numerous titles and accomplishments at Regional, US National, All Ireland, Great Britain, British National, All Scotland & World Championships, dancers touring with professional show, Lord of the Dance, their greatest and most rewarding achievements have been *sharing their love of Irish dance and music* and *instilling belief in oneself* with hundreds and hundreds of beautiful young ladies & gents.

Eileen & Coleen are both certified Adjudicators with An Coimisiún Le Rincí Gaelacha (CLRG), and Coleen is also a CLRG Grade Examiner.

"We are incredibly grateful to all of our dance families, past and present, for your love and support. We look forward to many more years of sharing, developing, and enjoying this beautiful art form together. We are especially thankful to the Mid-America Region & our fellow teachers for its' strength and continued development. Being members of one of the top regions in the world has helped challenge and inspire the growth of our own dancers. God Bless each and every dancer this weekend, but especially our own TEAM OMG. There are no prouder teachers watching and enjoying our performances than us, alongside our hardworking co-teachers Sam Martin, Katie Mae Yoder, Brian, and all of our Assistant Teachers. Thank you, Mom & Dad (RIP), our own families & All in the region for honoring our 25 years. We are truly grateful."

Congratulations on celebrating 25 years of teaching Irish dance!

Sheila Shovlin, TCRG

Sheila started dancing with Tessie Burke, ADCRG in Pittsburgh in the 1970's. She had the opportunity to compete at feiseanna all over the US, Canada, and Ireland for 15+ years with family and life-long friends she gathered along the way. While at college, she met Maureen O'Grady White, TCRG and was able to stay connected to Irish dance by helping out at Maureen's classes. Upon moving back to Pittsburgh in the late 1990's, she founded Shovlin Academy with her sister Liz, TMRF and brother Peter, TCRG.

Over the years, Sheila has had the privilege of teaching many wonderful students and becoming a part of the lives of so many special dance families. Watching her students grow, not only as dancers, but also as confident, kind, and accomplished young people, has been one of the most rewarding parts of her journey.

Outside of Irish Dance, Sheila continues her 30+ year career in engineering as a Software Delivery Manager with Hitachi Rail working on modernization of the Brussels Metro System. She is grateful for the opportunity to pursue two of her passions, and appreciates you all taking time to pause for this milestone.

Congratulations on celebrating 25 years of teaching Irish Dance!

Holly Sheridan Podbesek, TCRG

Holly Sheridan Podbesek began Irish dancing at age nine at the Murphy Irish Arts Center, performing in countless shows and competing at all levels including the world championships. During high school, she discovered her passion for teaching and continued teaching and coaching at Murphy for several years. In 2019, she joined Egan Irish Dance under the direction of Tom Conkey, whom she taught as a young dancer. Teaching alongside someone she once taught has been a special milestone and a testament to the Irish dance community's generational strength.

While she is committed to helping dancers reach their competitive goals, Holly believes the most meaningful accomplishments happen away from the awards podium: building confidence, learning to push through frustration and disappointment, supporting teammates, making lifelong friendships, and creating memories that dancers and their families will carry with them long after their dancing years are over. She remains deeply grateful to Sheila Murphy Crawford for igniting her love for Irish dance and to Tom Conkey for welcoming her into the Egan Irish Dance family.

Outside the studio, Holly lives near Cleveland with her husband, Sean, and their dogs, Georgie and Charlie. She has worked for the Federal Reserve System for 27 years, currently serving as a consultant on the Federal Reserve Financial Services product management team.

Congratulations on celebrating 25 years of teaching Irish Dance!

Maureen Dillon Yawger, TCRG

My Irish dance journey began at the relatively late age (by Irish dance standards) of 12, when I had the privilege of being a student of the great dance masters Marge and Dennis Dennehy. I have countless fond memories of traveling to feiseanna all over North America with my mother, Sheila, and my sister, Bernadette, occasionally joined by our father, Patrick.

I was proud to serve the Mid America region, first as vice regional director and then as regional director, for many years. The friendships made during my dance career and the new friendships I continue to make have been a cornerstone of my Irish Dance adventure. Today I operate the Dillon Gavin School in Chicago, where it has been a joy and privilege to train and work with so many talented dancers over the years. I am fortunate to be surrounded by a fantastic team of co-teachers at Dillon Gavin: Bernadette, Rachel, Caitlin and Kelly.

I am blessed to belong to a large, extended Irish family, and I adore them all. To my husband, Ron, and my children, Caitlin and Kevin: thank you for being so gracious and understanding over the years when I missed family events because I was away at CLRG meetings, competitions, classes, or performances. Your love and support mean the world to me.

Sincere thanks to the IDTAMA for this recognition.
