All the GRADES competitions are scheduled in a "concurrent" / "Block" system.

This means ALL stages will all be dancing the SAME DANCE at the same time (as if one musician were playing for all the stages).

Stages will be waiting for all other stages to be completed before moving on to the next type of dance.

This is so that no dancer will ever have a stage conflict, as it will be impossible for any dancer to be dancing on two stages at the same time.

This will, however, mean that dancers will be moving from one stage to another for each different type of dance.

Check the schedule carefully to know which stage you need to be at for each of your dances.

Why this system?
Because this allows the feis to combine the MAXIMUM number of competitions and ensure that the most dancers qualify to advance 😊
