A list of dancers who will be awarded, along with the start time and running order for the awards ceremony, will be posted at HQ and on QuickFeis.com. Dancers must be in full costume/shoes to appear on stage.

The award ceremony will commence with Premiere, then continue with teams in the following order: Choreography, 4H, 6H and 8H. Treble reel events are not awarded on stage. See HQ to collect your prizes.

All categories will be presented from youngest to oldest.
