## **KATHLEEN DWYER**

*Congratulations on  
25 Years!*

Kathleen Doyle Dwyer comes from a long line of Irish dancers. Her father, William Doyle, immigrated from Dublin in 1962 to Dayton, OH. All the family had Irish Dance classes growing up. Her dad instilled the love of Irish dance and music in Kathleen at a young age. Kathleen began her Irish dancing career at the early age of 5 with Ann Richens in Dayton, Ohio. In addition to those classes, Kathleen had the opportunity to practice at home under the watchful eye of her beloved Aunt Tess (Doyle) Donnelly, who had started teaching Irish Dance in Dayton, OH, in the late 1950s at the Ancient Order of Hibernians.

Accompanied by her Aunt Tess, Kathleen first competed at the World Championships in Dublin in 1983 at eleven years of age. In 1986, she transferred to the Lorraine Hoswell School, which later became the Celtic Academy of Irish Dance. She continued her competitive career, qualifying for the World Championships three more times and made the trip in April 1990 to dance again at the World Championships in Cork, Ireland.

Kathleen graduated from The Ohio State University with a Bachelor of Science Degree in Aviation Management in 1995. In March 1998, she received her TCRG certification. Kathleen taught at the Celtic Academy of Irish Dance for 13 years and in December 2011, she opened the Dwyer School of Irish Dance.

Her teaching ability and passion for Irish Dance have helped hundreds of dancers compete successfully at local feiseanna, the Regional Championships, the North American Championships, and the World Championships, with top five finishes in solos and teams at these prestigious events.

Kathleen believes Irish Dance has so much more to offer than competitive results. She strives to teach the discipline and poise needed to perform and compete successfully. Instilling this drive to work hard and become successful young adults beyond the dance stage is a priority for her. She continuously learns from her friend and mentor, Michael Smith, whose guidance has helped her to grow as a coach and parent of her own two dancers. Kathleen is very proud to have helped and guided former dancers to achieve their TCRG certification, with three of them joining her to teach at the Dwyer School.

As a member of IDTAMA since 1998, Kathleen has enjoyed the opportunity to collaborate with colleagues from across the region. In November 2018, she was elected to the IDTAMA Ethics Committee. Kathleen and her husband Shane have two sons, Sean and Aidan. She is grateful for the opportunities that Irish Dance has given her family to travel and create lasting friendships. Kathleen is honored to be a member of the Mid-America region with its rich tradition of Irish Dance and incredible teachers.

## **KATE HABEL**

*Congratulations on  
25 Years!*

Kate began her Irish dancing career in 1983 with the Cashel Academy of Irish dance in Milwaukee, Wisconsin. Within a couple of years, Cashel Academy became Cashel Dennehy and shared a successful relationship with the Dennehy family in Chicago. Kate is honored to have learned a love of Irish Dance from Dennis, Marge and Kathy Dennehy. Kate discovered she loved teaching at a young age when she began assisting Mr. Dennehy in his Milwaukee classes.

Kate went to college at Marquette University, where she hung up her competition shoes and was ready to help out with classes, teams and performances. Kate has been dancing and teaching with Laura Gottschlich TCRG since 1985. Kate is honored to have taught with one of her best friends for so many years. Kate graduated from Marquette in 1997 with a History major and an English minor. After graduation, Kate made the decision to put all of her efforts into Cashel and earned her TCRG and began teaching full time for the school.

As a teacher, Kate is most proud of the success that Cashel has seen in ceili team competitions as well as soloists. There are so many wonderful aspects of Irish dance and Kate loves introducing new families to St. Patrick's Day festivities as well as Milwaukee Irish Fest.

Kate has been married to her husband Scott since 2003; they have three children Aidan, Cassidy and Gavin. She currently lives in Kenosha with her family and continues to teach in Milwaukee, Wisconsin for the Cashel Academy.

## **BRIDGET JASKULSKI**

*Congratulations on  
25 Years!*

My journey with Irish dance began at the age of 6, encouraged by my supportive parents and grandparents, under the guidance of Dr. Mary Eileen Geary, TCRG. Following Mary Eileen's retirement from teaching Irish dance, I joined the Trinity Academy of Irish Dance, spending 18 years as both a student and instructor. During my time as a dancer, I competed in regional, national and world competitions and loved performing.

In January 1998, I sat for my TCRG exam. It was on my grandmother's birthday, in March 1998, that I received the wonderful news of passing the exam. Then, in February 2000, I took a leap of faith and established my own school, Glencastle Irish Dancers, with my dear friend Katie Jacobs TCRG, by my side, marking the beginning of an extraordinary journey. Katie continues to be a pillar of strength and support and her children are now dancers at our school.

Irish dance has truly enriched my life, blessing me with unforgettable experiences as both a dancer and now a teacher. It has been a joy to teach many children and adults throughout the years and to see them grow into caring, kind and successful people, with some becoming TCRGs and owning their own schools.

I appreciate the friendship and support of fellow dance teachers in Milwaukee, along with other Irish dance colleagues. These relationships go beyond mere friendship; they are people that I respect and hold in high regard. The connections fostered through Irish dance, will forever remain close to my heart.

Thank you to my husband Bill, and our children, Colleen and Nathan, for your unwavering love. Thank you to the Mid-America Board for the 25th anniversary recognition. To the Glencastle families, past and present, you are my second family and one of the greatest blessings in my life.

Thank you to my incredible team of teachers – Colleen, Colleen, Katie, Kelly, Megan, Aidan and Emily. I've had the privilege of teaching each one of you as dancers, and now work alongside you as instructors. I'm forever grateful that you're not only a part of my life, but also the lives of our dancers.

Best wishes to all teachers and dancers this weekend.

## **JULIE MAYER-CIESLA**

*Congratulations on  
25 Years!*

I was born in Chicago to immigrant parents. My mother is from Ireland and my father is from Germany. I am the youngest of four children. My brother John and my sister Mary were born almost exactly a year apart. Then, a little over 12 years later, my brother Paul and I were born 11 months apart.

John and Mary were the first in the family to start Irish Dancing at the well-known Dennehy School in Chicago. When I was 5, John and Mary opened the Mayer School of Irish dancing. Paul and I were the first students in the school. I really don't remember my first dance lesson, but I must have enjoyed it, because I have been involved in Irish dancing ever since!

During my competitive career, I placed in the top 3 at the Mid-American Oireachtas, top 10 at the North American Championships and competed at the World Championships on many occasions. I finished competing and started teaching with the Mayer School at the age of 19 and received my TCRG a few years later.

Throughout my 25 years of teaching, I have been fortunate enough to teach many dancers who have gone on to win the Oireachtas, Nationals and earn medals at the World Championships. But it's not all about winning. I have been able to teach dancers about hard work and dedication. I have been able to teach them that commitment to excellence is something they can strive for in every aspect of their lives.

I am grateful for the good times and friends I have made throughout the years. It's a privilege to celebrate this milestone with all of you. Thank you to the IDTAMA Board and the Oireachtas Committee for this honor.

Thank you to our MuGster parents for the countless miles driven to class, the never-ending hours of waiting in your car for practice to end, and for the trust and support you've given the teaching staff in working with your children.

And to our hardworking "Dancing MuGsters" – thank you for giving us your "all", for practicing through blisters and aches, for doing your homework between soft shoes and hard shoes, for being there for your team mates, and for allowing us to teach you. More than anything, enjoy the weekend.

Medals and trophies will tarnish – but friendships made at class last a lifetime.

Finally, thank you to all the volunteer organizers who spent countless hours preparing for this weekend.
