# LETTER FROM THE REGIONAL DIRECTOR

## BILL MAPLE

I would like to welcome everyone to Orlando for the 26th annual Southern Region Oireachtas. We recognize that the past 3 years have each presented challenges that created concern for everyone in attendance. We are grateful that health concerns with Covid no longer seem to dominate everyday life and that we can once again welcome everyone to attend this years' Oireachtas. Recent months have brought to light new information regarding transgressions in the adjudication process. There are no words to describe some of the information that has been disseminated. Our primary concern at all events is safety & honesty. We wish to ensure you that we are implementing numerous new protocols to ensure transparency, honesty and integrity at our event. We have communicated and socialized all of the new protocols that are being implemented going forward at all competitive events.

Please rest assured that this is our number one priority.

I would like to congratulate my fellow honorees PJ McCafferty, Doireann Mhaoileidigh Hoy, Eimir Ni Mhaoileidigh, Lisa Cregan, Abbey Wood & Sean Culkin who are marking milestones in their involvement and dedication as certified teachers in our art form of Irish dance. Comhghairdeas to all of you!

Thank you to my Oireachtas co-chairs Myra Watters, Terry Gillan and Amanda Finnegan for your dedication and the countless hours you all put in to make this Oireachtas a success. Your flexibility and resilience to meet the many changes that we've committed to making have not gone unnoticed.

Finally, the past four years have been some of the most challenging times in our regions' history. I'm proud of how our region has navigated through these times and the decisions our Board has made to make our region stronger.

I wish each and every dancer the very best of luck and hope that this weekend with friends and family will leave you with many happy memories!

With appreciation and gratitude,

Bill Maple, SDCRG

## **A huge welcome to Orlando, Florida for the 26th Southern Region Oireachtas!**

We are very excited to return to the Hilton Orlando for our major event.

This year, we are delighted to present a full program of competitions including team and traditional set dance events. Thank you to all the parents, teachers, and students who have worked so hard to make this event happen. At this year's event, we introduced some new procedures and tightened up some existing systems to ensure, as far as possible, that our systems are transparent.

This year, we have several honorees celebrating various milestones in their dancing careers. We congratulate them and thank them for their volunteer service and for their commitment and dedication to this wonderful art form. We want to offer a special congratulations to PJ McCafferty, ADCRG for celebrating his Golden Anniversary. PJ has given 50 years of experience and dedication to Irish dancing. He has a huge history in Irish dancing, and we are very fortunate that we in the Southern Region have been able to be the beneficiary of his large amount of volunteer hours.

We would like to thank the region's officers who work tirelessly as volunteers to keep our region running. We thank them for their time and for representing our region nationally and internationally.

Thank you to our esteemed panel of adjudicators and musicians for taking time from your busy schedules to be with us. We truly appreciate it.

Thank you to the vendors who support our event each year. Please visit them and give your support if you can. Their financial support is important for the continuation of our Oireachtas.

Lastly, thank you to the many other people who make our event possible by providing our staging, tabulation, sound, and streaming services.

The very best of luck to all the dancers. We hope that you make memories that last a lifetime with your dance friends and family.

## P.J. MCCAFFERTY 50 YEARS

### P.J. McCafferty, A.D.C.R.G.-BG

I lived my life in the North American Irish Dancing community. After working at my day job, I spent my nights and weekends (when not at a feis), teaching people Irish Dancing and exposing them to the culture of Ireland, the home of my father and my mother's parents. I have judged at class feiseanna, local feiseanna, Oireachtas, and the North American Irish Dancing Championships. I have helped and encouraged unsure dancers on stage, and I have consoled dancers suffering from anxiety or disappointment. I have encouraged dancers of all ages to persist and to achieve. I am honest and I am hard-working. I am not an exception in the Irish Dancing community. There are thousands more just like me. We promise you that we will carry on, because we love our students, and we love Irish Dancing.

Burke Figure Team  
1969

This is an occasion for giving thanks for the blessed life I live. A time to acknowledge that my long career in Irish Dancing only happened because many people helped me. I am an Irish Dancing teacher because my parents gave me the gift of Irish Dancing lessons and supported me at every step of my career. I thank my God for giving me a talent for Irish Dancing, for teaching dancing and for adjudicating Irish Dancing competitions and blessing me with determination and perseverance.

McCafferty Irish Dancers  
Akron 1971

I owe my success to my dancing teachers. I started dancing when I was eight years old. Kevin and Sally Shanahan taught me my 7's and 3's. I remember those classes, the steps, the music and many of the dancers. John McKenna taught me Ceili dances at the Gaelic League. Ita Cadwell helped me prepare for the 1969 All-Ireland Championships in Dublin. Most of all, Tessie Burke changed my life. In her dancing school I became a champion dancer, I formed the ambition to have my own dancing school, and to marry Judy Bunsey, my figure dance partner.

I owe my success to mentors. Many people helped me when I was a dancer and as a teacher/ adjudicator. Dennis Dennehy was a reliable source for honest advice, and sometimes for unsolicited counseling. It all helped me grow. Ann Richens was a close friend and adviser. Paula Woodgate, Rita O'Shea, Mary Bastis, Tim O'Hare and so many more people played a role in my achievements. Among my mentors were the parents of dancers in our dancing school. In addition to whispering advice and gossip, these parents did the work to organize fund raisers, build Dance Drama sets, make costumes, and organize the Akron Feis, which is still running.

McCafferty Irish Dancers  
Senior Ladies Céilí  
2013 SRO

I owe my success to the dancers I taught. There have been so many from our classes in Arkansas, Oklahoma, and Ohio. I am proud to recognize former students including Jimmy Butke and these who are now certified teachers and some adjudicators: Mary McGinty and Kathleen McGinty Lane, Kristin Butke Zagorski, Maura Manning, Elaine Flanagan O'Hare, Marisa Cook Christiansen, Lena Huffman, Ana Ayala Barker and Michael Roberson. I learned much from all my dancers, beginners to champs.

I owe my success, and my life, to my partner, Judy McCafferty. We were in grade school when we were paired on a figure team at my first class in the Burke school. We made a beautiful family and a good life. Our children, Patrick, Maureen and Megan all danced. Like the children of most Irish Dancing teachers, they often ate dinner in the car, did their homework in the studios, and slept in the car on the way home from class. They are blessed with seven children among them.

Go raibh maith agat, thank you, to the teachers and adjudicators of the Southern Region for recognizing my anniversary this weekend. Good luck to all the dancers and their teachers. This weekend is a blessing for each of us.

*P. J. McCafferty*

**BILL MAPLE 40 YEARS**

## **Bill Maple, SDCRG**

Bill was born in Massachusetts to an Irish mother from Killarney, and an American father with Canadian roots. He received his Irish dance training with the Rita O'Shea School of Irish Dancing. Over the years he competed successfully at local competitions, as well as nationally and internationally. After winning the Senior Men's North American Irish Dance Championships, Bill retired from competitive dancing and passed his T.C.R.G. exam and opened the Maple School of Irish Dance in Boston, MA.

After several years of teaching in Boston, Bill's job took him and his wife, Marnie to Germany where they took a hiatus from Irish dancing for about 7 years. When they relocated to the U.S. in 1996, they settled in the Washington, D.C. area, where Bill and Marnie run the successful Maple-O'Callaghan Academy of Irish Dance. Their passion for Irish dance has been passed on to their students who have achieved success both nationally and internationally.

Many of their students have gone on to pass their T.C.R.G. exam and several former students have gone on to dance professionally, (including their son Andreas), in Lord of the Dance, Riverdance, and other Irish dance shows.

Bill later went on to achieve his ADCRG and BG certificates and he has adjudicated and conducted grade exams all over the world. Bill recently passed the SDCRG exam and is honored to become a full examiner. Bill is a founding member of the U.S. Southern Region and is currently serving as the Regional Director, as well as a member of the C.L.R.G. Music & Dance committee.

Bill is honored to be recognized at the Southern Region Oireachtas 2022 for his 40th anniversary as a TCRG. Both he and his wife Marnie, ADCRG wish all the dancers the very best of luck this weekend.

## DOIREANN NI MHAOILEIDIGH HOY 40 YEARS

**Doireann Ni Mhaoileidigh Hoy, TCRG ADCRG** originally from Dublin, Ireland, began her Irish dance career at the early age of three (along with her twin sister, Eimir), under the watchful eye of her father Maitiu O Maoileidigh, (world renowned choreographer and teacher, director of the Inis Ealga dancers).

Doireann holds titles of Regional, All Ireland and World champion dancer and began teaching dance with Eimir in Dublin. They performed all over Europe, England, Wales and the US.

Doireann also worked in the famous Guinness Brewery in Dublin before emigrating to the US where she settled in California and established one of the most successful dance schools in California and Arizona. Her dancers reached regional and World championship levels and some also became TCRGs . While in California she and her dancers had the opportunity to perform in several movies including Murder She Wrote, Men Don't Tell, Scrubs and About Last Night and choreographed for such stars as Peter Strauss, Judith Light and Jim Beluchi.

After living in California with her husband and their two children (Niamh and Connor) for 25 years, the family moved to Austin, Texas to be closer to her twin Eimir and her family. Doireann still enjoys teaching and adjudicating and is honored to be here with you today. She wishes the dancers, teachers, musicians and all involved a fabulous weekend and the best of Irish luck.

# OIREACHTAS 2022 HONOREES

EIMIR NI MHAOILEIDIGH 40 YEARS

**Eimir Ní Mhaoiléidigh, TCRG** was born into an Irish dancing family and quickly discovered a deep love for the art form. She trained under her father Maitiu O'Maoileidigh at the renowned Inis Ealga School of Irish Dance in Dublin. She is a solo, figure, and ceili World and All-Ireland Dancing Champion with many other titles to her name.

As a child Eimir and her twin sister Doireann performed regularly with Inis Ealga in Jury's Irish Cabaret. From the age of 13 they toured with production companies throughout Europe and the United States and performed on or choreographed for various U.S. and U.K. television programs and events.

After receiving her TCRG, Eimir was presented with the opportunity to move to Texas to help continue to grow the art form in a new environment. Since then, Eimir's passion has been to promote Irish Dancing in the region and to bring the art form to new audiences. To this end, she has worked extensively with local school districts, hospitals, libraries, and cultural arts programs. Eimir often teams up with other Austin dance companies, such as Tapestry, producing such fusion shows as Ballet Eireann and Esprit!

Working with a local ballet teacher Alicia Mosti, (who later went on to receive her TCRG) Eimir opened the first Irish Dancing School in Mexico. She considered it a privilege to bring her national art form to even further audiences and many of her original students continue to teach in Mexico today.

Since making her home in Austin over 30 years ago, Eimir's mission has been to promote the Irish culture by educating students in the techniques of traditional Irish Dance while instilling in her students a sense of integrity, leadership, artistry, compassion, and a love of dance. If you asked Eimir what she considers to be her greatest accomplishment to date she would tell you without a doubt it was raising her two daughters, Katrina and Miranda. Katrina graduated from the University of Texas at Austin with a degree in Microbiology and Miranda is currently a grad student at Iowa University studying Library Sciences.

Eimir was delighted when her sister Doireann and her family moved to Austin and the two families continue to teach together and share their passion for Irish culture, art, and history. They would like to congratulate all of the honorees being recognized this weekend and send their very best wishes and good luck to everyone at this year's Oireachtas and beyond.

Eimir and Doireann would also like to acknowledge the loving contributions of their mother, Angela O' Maoileidigh, who passed away this summer. She was not only a driving force in the lives of all her children and grandchildren but for the world of Irish Dancing as well. Loved by all who knew her she was never short of a kind word or wise analysis in the face of any problem. Mam, all of our love to you forever and ever.

## SEAN CULKIN 25 YEARS

The 2.0 version of my Irish dance journey began in 1994...

But the beginning was in 1966 in Stansbury Hall, at the corner of Georgia Ave. and Military Rd. NW, DC. Philomena and Willie Culkin, new immigrants from Co. Sligo, brought me and my brother Éamonn to the classes of DC's Grande Dame of Irish dance, Peggy Hannon O'Neill.

One of the reasons why I think I'm a good teacher is because, let's say, I wasn't the best student. God bless Peggy, I thank her and credit her for all she did for me. I was so fortunate to have Peggy as my teacher, and of course I didn't realize that at the time. I am proud to keep her beginner steps alive as well as some of the sets she taught me, especially her favorite, The Blackbird.

Irish dance was a different world back in the 60's and 70's. But I loved it and kept with it till my last competition, the New York Oireachtas, in 1981. Loads of great memories with Peggy and my friends, some of whom I'm still in contact with. I lost Peggy in 1984 to cancer, but she is forever alive in her steps that are taught to the Culkin students.

I will never forget that Saturday class, when I was a senior in high school. Peggy said to me that she thought I could be a teacher. What a great compliment... but I was moving on. Little did I know then that I would become a para-legal, attempt law school, and have career as a stock broker, before I came home to Irish dance.

In terms of Irish dance, that brings me to 1994...

But before moving on, in 1992, I did the best thing I've ever done in my life, I married Denise Mary McDermott! To have great parents, a great Irish dance teacher and then get to marry such a wonderful woman, well, I was truly blessed.

So from getting back into Irish dance 1994 to the present, my blessings have continued in the students I have taught, their parents, the teachers in the school, past and present, and all those who have helped out the school and me along the way.

I especially appreciate all the wonderful musicians that have played for Culkin shows, classes and competitions. Without live music, Irish dance loses so much of its appeal and tradition. Irish music is truly dance music. The person who really started my return to Irish dance is the wonderful multi talented musician Jesse Winch.

This was a great time to begin an Irish dance school, just as "Riverdance" was gaining in popularity.

I am so lucky to have had so many wonderful teachers work with me and the school. I am especially proud of the teachers that have come out of the school and will continue to do so. The ultimate success is to pass on the tradition, I think I've help do that.

I want to thank Caterina Earle, TCRG, Nicki Bayhurst, ADCRG, Megan Howard, TCRG, Megan Moloney, TMRF, Phil Stacy, TCRG, Mary Page Day, TCRG, Bridget Launi, TCRG, Samantha Hopkins, Tammy Larson, Maggie Steuart, Colleen Ross, Kate Bole, Cierra O'Keefe, Denise Danielle, Ed Parmelee and Mary Flynn.

Congratulations and thank you to all our Regional Champions over the years in both teams and solos. Thank you to all the wonderful student teaching assistants we have had over the years. With the exception of a few gents in the school, especially Phil,.. "But for the women in my life..."

Thank you

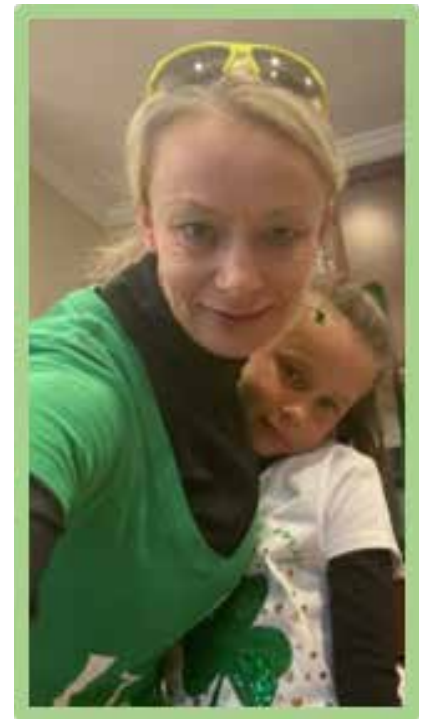

Seán

Didn't think after 25 years, I'd be rebuilding the school.

Lisa performed and toured in Spirit of Ireland as lead dancer. She also has danced with many renowned artists.

Lisa has been teaching at Drake Alpharetta for ten years. Lisa has run successful feiseanna and Feis ATL and Hotlanta Feis have continued to run successfully for 18 years. Lisa teaches beginner to championship dancers and wishes all her dancers at the 2022 Southern Region Oireachtas good luck.

# OIREACHTAS 2022 HONOREES

## ABBEY WOOD 25 YEARS

Born a Texan, Abbey grew up in Augusta GA. She began dancing with a ceili group called the Augusta Irish Dancers at the age of 9 at a local Catholic church. In 1988 Abbey was introduced to step dancing and attended the first feis in the South held in New Orleans in 1989. As the Augusta Irish Dancers grew, they began looking for instruction and Michael O'Hare from Detroit Michigan began hosting regular workshops. After time, a permanent teacher was needed. In 1993 Mary McGinty began traveling regularly to Augusta. Abbey began assisting Mary in the monthly workshops and helped teach weekly classes. Mary's sister Kathleen McGinty began teaching in Savannah GA in 1994 and Abbey was thrilled to have access to two teachers twice a month!

Twenty six years ago, 19-year-old Abbey traveled to Chicago to take her TCRG exam. Later that year she attended the first ever Southern Region teachers meeting at our first Oireachtas in Washington DC. Abbey Pride became the FIRST dancer born and raised dancing in the South to become a TCRG. She taught alongside Mary and Kathleen McGinty with Inish Acla before breaking off and starting her own school, Glor na Éireann. She later changed the name when she married her lifelong dance friend, Brent Wood TCRG and they became Glor na Daire. In 2014, she partnered with Patty Darragh to create the Legacy Irish Dance Academy.

Trophies and titles are always nice but Abbey is most proud of the dancers who truly embrace and love Irish dancing. She has taught all over the South, including Augusta and Savannah GA, Corpus Christi, TX, Jacksonville FL, and Charleston SC where she now resides. Abbey is also proud to have helped some of her dancers become TCRG's who have gone on to open their own locations. Abbey's own children Cullann Patrick and Farynn Roisín attend classes with her, which truly makes her heart sing.

There was a time when Abbey performed that she was referred to as an "Irish clogger." There were only a handful of resident teachers and even fewer feisanna. Abbey is amazed to see how far this region has come and grown. She is excited to have been a part of it from the very beginning and is excited to see where this journey ends.

She would like to thank all her teachers who sacrificed so much of their time to help her become a dancer and teacher. She is grateful to her partners Brent Wood and Patty Darragh for their support and love in growing a Legacy in Irish dance. To all her dancers past, present and future, thank you for being part of Abbey's own legacy in Irish dance.

# SYLLABUS INFORMATION

## AGE

A competitor's age will be determined as of January 1, 2022. All solo competitors must compete in their own age group. A Céilí or Figure Choreography team may include dancers who are under the minimum age stipulated for that competition, subject to certain conditions. (See "Teams")

## TEAMS

Note – The term "similar event" refers to an 8-hand where an 8-hand is the team in question, OR a 4-hand where a 4-hand is the team in question OR a Figure Choreography, where a Figure Choreography is the team in question.

A) A team may consist of a number of underage dancers (i.e. dancers under the minimum age stipulated for that competition) not exceeding 50% of the total number of dancers, without seeking prior permission.

b) A team may consist of a number of underage dancers greater than 50% but not exceeding 75% of the total number of dancers, provided that the teacher applies, in writing, to the IDTA-NA-SR Regional Director, Bill Maple, SDCRG, (idtanasr.rd@gmail.com) in advance of the entry deadline of October 1st, 2022, furnishing the names and dates of birth for the underage dancers, and IS GRANTED PERMISSION in writing. Said written permission must be available for reference during the actual competition in question.

c) A dancer may not compete on more than one team in the same competition, except in the case of an unforeseen emergency and then only with the consent of the Southern Region Director or designated representatives.

d) No more than 50% of a team may repeat on another team in a similar event.

e) On a mixed Céilí team, at least one (1) of the total number of dancers must be male. Figure choreography and Dance Drama may consist of any combination of male and female dancers.

f) None of the above will operate to permit a dancer to compete on more than 3 teams, in similar events. i.e. no more than a total of three 4-hands, three 8-hands, and three figure choreographies.

# SYLLABUS INFORMATION

## CHECK IN

Dancers must report to the stage manager at least 30 minutes prior to the scheduled start time for their competition, to collect their competitor number.

Numbers of the starting competitors for each round will be drawn prior to the competition. Dancers must follow the rotation as listed in the official program book. Once the first dancer has commenced, late arrivals will be disqualified and will not be permitted to dance. If a dancer misses his/her rotation in the second round, he/she will not be permitted to dance, will receive zero for that round, and cannot be recalled to the third round. If a dancer misses his/her rotation in the third round, he/she will not be permitted to dance, and he/she will not be eligible to be recognized in the awards, except as a recalled dancer.

## MUSIC

For the Reel and Treble Jig, dancers must perform 48 bars of music. For the Slip Jig and Hornpipe, dancers must perform 40 bars of music. Official musicians will play for all Solo and Céilí events.

Introductions to all dances will be played only once. Dancers beginning before or after the stipulated introduction will automatically receive a zero in that round from all adjudicators. Introductions for set dances will be played once and competitors may, if necessary, set their speeds during that one playing. No variation in speed will be allowed once dancing is due to commence. Dancers beginning before or after the stipulated set dance introduction will automatically receive a zero for that round from all adjudicators.

Teachers of teams in the Figure Choreography and Dance Drama competitions have the option of using their own live or recorded music. Teachers planning to use recorded music must provide their own mP3 player (iPod, etc). You may not use CD's or cassette tapes.

## SPEED

In all solo championships, the speeds of the musical accompaniment will be in accordance with the officially recognized speeds, as published by An Coimisiún le Rincí Gaelacha, which are as follows:

<b>Reel</b>	<b>Slip Jig</b>	<b>Treble Jig</b>	<b>Hornpipe</b>
113	113	73	113

Metronomes will be in use at each stage to ensure accuracy. In all Céilí championships, the music speed will be 113. However, a team captain may request a particular speed, for the 8 hand Céilí, if it so wishes by indicating this to the stage steward in advance of the competition.

# SYLLABUS INFORMATION

## DANCES

All solo championship competitors will dance the first two rounds as stipulated in this syllabus for each solo championship competition. In age groups U16 and older, dancers will perform the hard shoe round, two at a time. U15 and younger age groups will perform hard shoe round, three at a time. All soft shoe rounds will be danced 2 at a time. Competitors who are recalled to the final round will dance a set dance of their own choice, except where noted that a dancer must perform their choice of a traditional set only at the stipulated time signature. All set dances in solo championship competitions, including traditional set dances in the younger age groups, will be danced one at a time. Traditional Set Competitions will be danced three at a time.

## CEILIS

In 8-hand competitions, teams may perform any 8-hand dance from the official list, published by An Coimisiún le Rincí Gaelacha. All teams must dance with the top gent's back to the adjudicators, with one exception; Gates of Derry may either be set up side to side, with the number 1 gents back to the audience, or front to back, with couple number 1 at the front of the stage.

Over-elaborate entrances and exits from stage must be avoided. Dancers should walk directly to their starting positions from stage left avoiding starts and stops, coordinated turns and complicated maneuvers. At the conclusion of the performance, couples should turn in place to face front of stage. When the bell is rung, only one bow is permitted. All couples should exit stage right. Talking on stage before, during or after the performance must also be avoided.

All SRO Ceili dances performed at the 2022 Southern Region Oireachtas must perform the first figure as completed by the 1st top couple with the exception of the following dances: The Three Tunes, The Sweets of May, The Gates of Derry and Lannigan's Ball. These will be performed as outlined in the World Championship Syllabus. Eight hands under 8 and under 10 shall have the option to perform the first figure in years when the second figure is mandated in older age groups.

In 4-hand competitions, teams may perform either the Four Hand Reel or the Humours of Bandon, as published by An Coimisiún le Rincí Gaelacha. All teams performing the Four Hand Reel must perform the dance through the completion of the body and then the First Figure completed by the top couple. In the Humours of Bandon, teams must perform through the completion of the body followed by the completion of the First Figure by the top couple and then followed by the body to conclude.

All teams must dance with the top couple standing to the left of the adjudicators.

Any 4-hand competition with more than 50 team entries will be split into separate competitions.

# SYLLABUS INFORMATION

## ADULT CEILI

Competitors must meet one of the following two criteria:

- 1) Dancers must not have taken Irish Dancing lessons as juveniles and must be at least 18 years of age on January 1st, 2022.
- 2) Dancers may have taken Irish Dancing lessons as juveniles but have not competed in any competition (solo or team) at any feiseanna or Oireachtaisí, except competitions specifically designated for adults or Dance Drama, within the past 5 years and must be at least 18 years of age on January 1st, 2022.

## ADULT SOLO CHAMPIONSHIPS

The criteria are the same as for Céilís. This competition is not a qualifier for any other competition.

## ADULT MASTERS SOLO CHAMPIONSHIPS

1. A MASTERS PRELIMINARY dancer is defined as any dancer over the age of 25 who has previously placed in the top three of a youth Preliminary competition of five or more competitors.
2. A MASTERS OPEN level dancer is defined as any dancer over the age of 25 who has ever competed in a youth Open Championship competition.

NOTE: Dancers over the age of 25 currently competing in either youth championship level may move at any time into the Masters level but will then no longer be eligible to compete in a youth solo championship.

## COLLEGE CEILIS

Teams are limited to colleges within our region, and all dancers must be registered students at the same college. Dancers will perform an 8 hand with the same rules as for Céilís listed above. Competitors in this competition may dance solo and team competitions with their regularly registered teacher(s).

## CARRIAGE AIDS

Any competitor found to be using artificial carriage aids, who subsequently refuses to remove same, will be subject to disqualification from that particular competition. Medically prescribed apparatus (proof of which may be required) will be exempt from this ruling.

# SYLLABUS INFORMATION

## DANCE DRAMA

A team may consist of 8-20 dancers and must portray a specifically Irish historical or traditional story or event. Irish music or music of related ethnic origin only will be permitted. This may consist of reels, jigs, slip jigs, single jigs, hornpipes, Irish marches or Irish slow airs or a combination of any of these. Where drumming is used, it must be in the stipulated tempos. NO SPOKEN WORD OR SONGS (live or on tape or any other electronic medium) are permitted during the performance of the dance. A team will have a six-minute time limitation in which to perform its dance drama from beginning to finish. Additional music will be permitted for walk offs. Teams may have the stage manager read the story or use their own narrator; however, the narrator may NOT be the teacher of the class, or any other teacher associated with the class. Where stage props are required, they must be provided by the team themselves. They must be portable and of a kind that can be placed and removed easily and quickly. Teams will be given five minutes in which to set up. All props must be removed from the stage and surrounding areas immediately after the end of the performance and are the responsibility of the school. The stage must be cleared or swept by a representative of each team (NOT the Oireachtas committee) at the conclusion of each team's performance to ensure that no debris of any kind remains on the stage after their performance and before the next team takes the stage.

## FIGURE CHOREOGRAPHY

A team may consist of 8-16 dancers and must portray an Irish theme. Only basic traditional movements are to be used. A dance should not exceed four minutes duration from the beginning to the end. Additional music will be permitted for walk offs. Five copies of the story (narrative) must be submitted one hour prior to the start of the competition. Teams may have the stage manager read the story or use their own narrator; however, the narrator may NOT be the teacher of the class, or any other teacher associated with the class. Dance must be performed in 2/4, 4/4 or 6/8 timing or a combination of these.

However, any change in music timing must last a minimum of 16 bars. Each team member must be on stage and dance from the commencement to the finish of the dance. Pauses are permitted but limited to no more than 4 bars per pause.

## STAGES

All stages will be examined at the commencement of each event by the Oireachtas Committee, stage stewards, or the adjudicators.

# SYLLABUS INFORMATION

## MISHAPS AND LOSS OF SHOES

Should a dancer fall on stage, an adjudicator MUST ring the bell to stop the performance of the dancer(s). Dancers so affected will be permitted to re-dance and will be marked then at the discretion of each individual adjudicator.

If, in the opinion of the stage steward, having obtained medical advice if necessary, a dancer might be deemed unfit to re-dance, and if such a dancer insists on their right to compete, then the dancer concerned will only be permitted to re-dance on completion of a declaration form exonerating IDTANA – Southern Region of liability for any consequences. Any repeat accident/incident which results in that dancer being unable to complete the required number of bars of any round, will result in the dancer withdrawing without question from the Championship.

If a dancer falls during the last eight (8) bars of any performance, then, at the discretion of the panel, they may only be required to dance the last sixteen (16) bars. Where feasible, dancers will be brought back no sooner than three rotations, and no later than five rotations.

Should a dancer lose a heel or a complete shoe, or his/her shoe breaks, he/she may stand back and allow the other dancer(s), where applicable, to continue dancing uninhibited. In such a case, the dancer(s) will be permitted to re-dance as soon as it is deemed practical by the stage steward.

A competitor must not walk off the stage during a performance unless instructed to do so by an adjudicator. A dancer who dismisses himself/herself from the stage without the permission of adjudicators will not be marked for that particular dance.

## ROTATIONS

The draw for starting numbers will be done randomly and posted. The starting number for Round 2 will be 1/3 of the competition added to the first round's starting number. The starting number for Round 3 will be 1/3 of the competition added to the second round starting number. Dancers must follow the rotation as listed in the official program book.

## EN POINTE DANCING

No block or "en pointe" moves, stationery or moving, will be permitted to be performed by all ages up to and including Under 11 years of age.

# SYLLABUS INFORMATION

## SCORING AND RECALLS

When the first two rounds in a championship have been completed, the official points system will be used to place the competitors in order of merit over the two rounds. On the basis of that order of merit, one half of the number of competitors who danced will be recalled for the set-dance round. The number of recalls will be based on the number of dancers who are present on stage for both the 1st and 2nd rounds of the competition. In the case where twenty or fewer dancers compete, all dancers will recall. When twenty-one or more dancers compete, then 50% of those dancers will recall.

Any dancer who does not complete the first 2 rounds of a competition cannot be recalled to dance in the third round. In all competitions only recalled competitors will perform their set-dances. A dancer who fails to complete all three rounds of a championship is not eligible to be recognized in the awards, except as a recalled dancer. Any points allotted to the dancer will stay with the dancer. Where a dancer fails to complete his / her performance in any given round, that dancer will be given zero marks by each adjudicator for that round.

## MISCHIEF

Any person caught damaging property (whether private property or that of the hotel and/or organization) will be requested to leave the premises immediately and will not be permitted to attend any remaining events during the championships. All parties involved will be billed for damages. Parents/ guardians are responsible for the actions of their children.

## SIDE STAGE

Upon completion of each solo round or team event, friends, family members or teachers are not permitted side-stage or within eye view of the adjudicators to greet the dancers. They must wait until the dancer(s) has/have reached the seating area. Those found breaking this rule may be asked to leave the ballroom.

## REFUSALS

The IDTANA-Southern Region reserves the right to refuse any entry.

## DECISIONS

All decisions made in accordance with the rules of this event and all IDTANA rules are final. All decisions made by adjudicators, in accordance with IDTANA rules and the rules for this event, are final.

# SYLLABUS INFORMATION

## SCHEDULE

The IDTANA-Southern Region reserves the right to limit or postpone any event. It also reserves the right to make changes or adjustments to previously announced schedules or timetables as necessary.

## APPEALS

Legitimate complaints must be submitted to the IDTANA -Southern Region Oireachtas Chairpersons or the Regional Director IN WRITING by the dance teacher involved. All such appeals must be submitted no later than one hour after the completion of the competition in question and must be accompanied by a \$50 fee (U.S. funds only, cash only) which may be returned if the complaint or appeal is upheld.

## PHOTOGRAPHY

No video recorders/cameras, movie cameras, or camcorders will be allowed in the competition halls, except for news media/ official photographer/videographer as approved by the committee. No flash photography is permitted during competitions. No photography is permitted while any dancer is in motion by any device.

## AWARDS

All dancers (solo and team) must be in full costume and correct shoes for the award ceremonies. Estimated award ceremony times will be listed in the program book, but they are subject to change. The number of awards for each event will be determined by the number of dancers/ teams who actually compete in that event. NOTE: Dancers are responsible for their awards after the awards presentation(s). The committee will not replace any damaged or lost awards.

## ADJUDICATING SYSTEM

Solo championships will be judged by a panel of five adjudicators and there will be different panel for each round. Tabulation will then deduct the highest and lowest score received by each dancer, on that round.

When dancers receive their results, they will be able to see all five adjudicator's raw scores. however, their total score for each round, will only reflect the dancer's result from three of the five adjudicators.

## Congratulations on 25 years, Seán Culkin!

Seán Culkin began Irish dancing at the age of 6 with Peggy O'Neill, ADCRG. In 1997 he earned his TCRG and began teaching adults, along with Caterina Earle, TCRG. He then added classes for children and founded the Culkin School of Traditional Irish Dance. The mission of his school is rooted in the values of tradition, hard work, family and fun that he learned from his immigrant parents, Willie and Philomena Culkin...not to mention the black and white colors of the County Sligo! Seán has many connections to the Irish Community in the DC area and has been an active Branch Officer of the Washington, DC branch of Comhaltas Ceoltóirí Éireann (CCE). Seán was a Board Member and Regional Director of the Southern Region, where he acted as a liaison to CLRG (An Coimisiún Le Rincí Gaelacha) in Dublin, Ireland. Since the Culkin school's inception, Seán has made it possible for his dancers to perform at venues throughout the Washington, DC region, from The Kennedy Center, Strathmore Center for the Arts, Wolftrap Farm Park, BlackRock Center for the Arts, The White House, and The Irish Embassy, to countless nursing homes, schools and pubs. Seán constantly supports his dancers and prepares them to succeed in Irish Dance and all aspects of their lives. The Culkin school prides itself on its sense of community and has been able to foster relationships that last a lifetime through the ties of Irish culture and the interest in Irish dance... All thanks to Seán!
